

NMC COMMUNITY PARTNERS

The Naval and Maritime Consortium is announcing a Community Partner membership for those interested in supporting companies within the naval and maritime sector. Organizations eligible for a complimentary Community Partner membership include not-for-profit organizations, municipalities, academic institutions, and government offices and programs*. Benefits of this partnership include:

Invited to NMC Events

Community Partners will have access to all NMC-hosted events. These events include seminars, networking hours, meet & greets with our members' staffs, and more so you can meet others within the naval and maritime industry.

Host NMC Events

Community Partners are encouraged to host and sponsor events to enhance collaboration and engagement between NMC members as well as facilitate sharing knowledge between members and the community. When you host and sponsor events, members learn more about you and the knowledge, skills, and capabilities you possess.

Receive Member-Only Communications

Community Partners will have access to the NMC newsletter and notifications about non-NMC events, symposiums, and seminars you may be interested in. This includes being a part of the Thames River Working Group meetings, where community members come together to discuss developments in and along the Thames River.

Acknowledged on NMC Website

Community Partners are listed on our website to acknowledge your support.

Invited to Annual Meeting

Community Partners are invited to attend our Annual Meeting.

Interested in joining?

Visit the Naval & Maritime Consortium website at www.NavalAndMaritimeConsortium.com.

*If you aren't sure if you're eligible, please email Ali Halvordson at AHalvordson@nmconsortium.com
